Brackets, Inset Applications

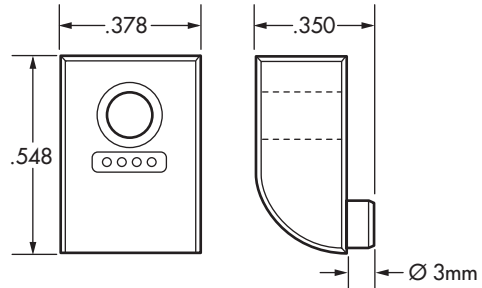

Kitchen Buyers are now demanding more from their new kitchen investment. They are looking for smoother drawer systems, more storage space and a high end furniture appeal with inset drawers and doors. **TENN-TEX** Plastics has developed two new Inset Brackets that will allow you to meet your customer's demands. This revolutionary new bracket system provides drawer front adjustments for a perfect alignment, regardless of the drawer front thickness or profile. **TENN-TEX** Plastics offers you new technology for ***The Simple Solution***.
