

## ***Corner Protectors***

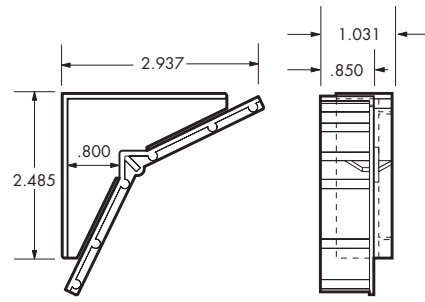

Corner Protectors are designed to protect your cabinets in the manufacturing process and during shipping. **TENN-TEX** Plastics has designed Corner Protectors to fit all of your face frame cabinet applications. When installed on the bottom of your base cabinets, they keep the cabinet off the floor and prevent handling damage. Protect your upper cabinets by installing the Corner Protectors on all 8 corners. Corner Protectors are available for 90 Degree Base and Upper Cabinets, 22.5 Degree and 45 Degree Specialty Cabinets and 135 Degree Lazy Susan Cabinets. **TENN-TEX** Plastics offers you ***The Simple Solution*** for Protecting the Corners of your Cabinets.
