\*required

## Determine Bracket Space

(measurement between slide and the back panel)

Calculate as follows:

$$A - B - C = D$$

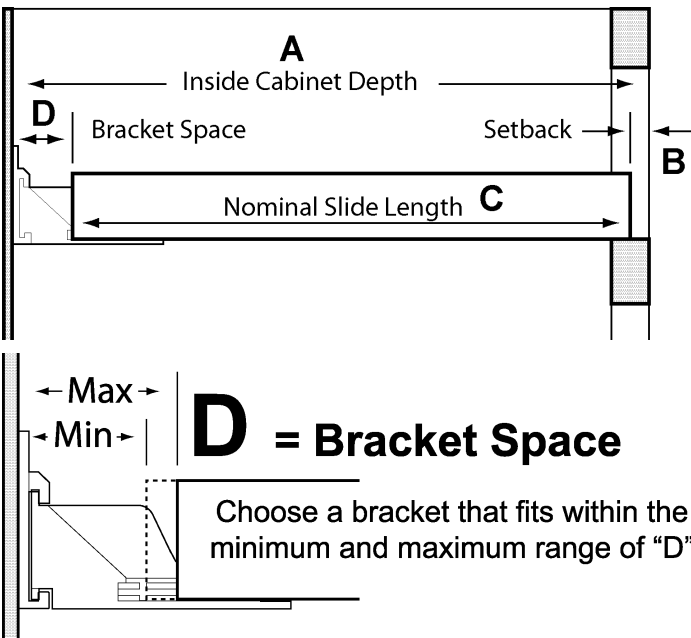

- A (inside cabinet depth)
- B (Slide set back)
- C (nominal slide length)
- D (min. & max. bracket space)

A:   
MINUS

B:   
MINUS

C:   
EQUALS

D:

## Bracket Choices
