Disclaimer

The technical information on the website are subject to change without notice. Tenn-Tex Plastics Inc. reserves all rights under copyright law.

All statements, recommendations and technical information herein are believed to be reliable. Tenn-Tex Plastics Inc. is not responsible for final end use, application and or installation. No warranty is expressed or implied. We reserve the right to change, modify or improve products at any time. Trial applications and mock-ups before production are recommended.

CARE OF PRODUCTS

We recommend that all screws and fasteners used in conjunction with our products are free of hydro-carbons and chemicals and solvents. Chemical solutions, including common household cleaning agents, may adversely affect the performance of polymers and/or cause failure.
