QuikSHIP ASSEMBLED DRAWER BOXES

Quality made custom drawers can be easily ordered from the comfort of your own computer. Drawers are available in three material choices: 5/8" UV Coated Birch, 5/8" UV Coated Maple and 12mm UV Coated Birch Plywood with Veneer Edgebanding. Drawers can be scooped and will work for Sidemount and Undermount Drawer Slides.

Visit our website and see how you can save time and money with the **Tenn-Tex QuikSHIP Custom Drawer Program**.

The QuikSHIP program is available to Distribution and OEM Customers only.

Check out our online configurator at www.tenntex.com

Use custom drawers with our easy to install **QuikTRAY** adjustable pilasters to add simple and versatile organization to any cabinet!

Drawer Divider Kits

By adding dividers to your drawers, flexibility knows no limits. Each of these three dividers (Standard, Bakeware and Deep Drawer) increases the types of things you can store. The Standard Divider is 2.5" tall and the Deep Drawer Divider is 6.75" tall. Both can be used to divide the drawer space for better arrangement and flow. The Bakeware Divider is used to arrange cookie sheets, pans, pots and lids neatly in the drawer. These dividers are constructed from Prefinished, Edge-banded, Birch Plywood.
